## GLAMPING ETIQUETTE & EXPECTATIONS

This is a quiet, restorative environment. Quiet hours are from 10:00PM - 9:00AM

-Music may be enjoyed at a reasonably considerate decibel while on the property

**Guests agree to:**

- honor quiet hours
- respect wildlife and animals
- remove shoes before entering the glamp
- supervise children at all times
- not bring outside visitors without approval

## WILDLIFE AWARENESS

This is an active farm with wildlife, including but not limited to:

- wild turkeys
- raccoons
- deer
- and more…

Expect bugs, ants, dirt, uneven ground, and natural conditions.

**Wildlife is part of life here, adding to the beauty, authenticity, and connection to nature that makes our sanctuary so special.**

## PETS

As much as we love furry friends, outside pets are not permitted for overnight stays. We have plenty of four-legged (and a few feathered) residents already, and keeping outside animals off the farm helps keep everyone safe, happy, and stress-free. Don't worry - you'll still get plenty of animal company while you're here!

## DRUG USAGE

Drug use, smoking, vaping of any kind, is strictly prohibited anywhere on the property and is especially prohibited inside the glamp tents. Any evidence of drug use will result in an additional cleaning and remediation fee of $250.00.

# GLAMPING ETIQUETTE & EXPECTATIONS

(Protecting the peace • the animals • and the mission)

The Old Citrus Estate is a working, off-grid farm and retreat environment. The following expectations exist to preserve safety, peace, and the integrity of the experience for all.

### 1. A Quiet, Restorative Environment

This is not a party property.
Guests agree to:

- honor quiet hours
- keep voices and music low, especially after dark
- respect the stillness of the land, wildlife, and other guest

This space was created for rest, reflection, and connection.

### 2. Off-Grid Living & Resource Awareness

We are an off-grid property, and conservation matters here.
Please:

- turn lights off when not in use
- conserve water (do not let water run unnecessarily)

- use the septic system properly (no wipes, feminine products, paper towels, or non-approved items)
- be mindful that power and water are limited resources

Your awareness helps us remain sustainable and protect this land.

### 3. Trash, Food & Wildlife Safety

This is extremely important.

🚫 Trash may NOT be left outside or inside the glamp at any time.

**All food waste and trash must be disposed of promptly. Guests are responsible for removing and properly disposing of all waste upon departure.**

**Leaving trash out:**

- attracts wildlife
- puts animals and guests at risk
- disrupts the natural balance of the farm

Failure to comply may result in removal from the property.

### 4. Wildlife, Bugs & Farm Reality

This is a real farm—not a manicured resort.
Guests should expect:

- dirt, dust, and uneven terrain
- bugs, ants, insects, and spiders
- wildlife sounds and movement
- natural outdoor conditions

By staying here, you acknowledge and accept the realities of nature-based living.

### 5. Animals & Safety

The Old Citrus Estate is an active animal therapy farm.
Guests agree to:

- interact with animals gently and respectfully
- never chase, corner, or feed animals without permission
- follow all staff guidance regarding animal interaction
- supervise children at all times

Animal interaction is optional and may be limited or denied at any time for safety.

### 6. Shoes & Care of the Space

To protect the intentional design of each glamp:

- shoes must be removed before entering
- please treat furnishings and finishes with care

These spaces were created thoughtfully to support rest and comfort.

### 7. No Outside Visitors ( unless previously approved)

Only registered guests are permitted on the property.
No outside visitors are allowed without prior written approval.
